

## BEST DOCTORS HELPS YOU MAKE MEDICAL DECISIONS WITH CONFIDENCE

We provide access to the best medical minds in the world so you can be sure you have the right diagnosis and treatment or get expert answers to your medical questions.

### ASKBESTDOCTORS.COM

AskBestDoctors.com has all of the tools you need to get fully informed from a trusted online source.

#### SYMPTOM CHECKER

An interactive human body map that helps you to focus in on your conditions symptoms and learn about treatments.

#### ONLINE ENCYCLOPAEDIA

A practical and intuitive way to find medical information in different formats on a wide variety of health topics, from general facts to specific explanations of conditions and their treatment.

#### EXPERT AND 3D VIDEO LIBRARIES

Members have access to a collection of videos provided by doctors from our expert database covering over 270 medical conditions, tests and treatments, all displayed in high definition 3D.

### FINDBESTDOC™

Find a local Best Doctors specialist

Best Doctors can help you find a leading local specialist for your specific medical case or condition. Just call us and we will conduct a customized search of our expert database guided by your criteria.

Travel, accommodation, medical expenses and other associated costs are the responsibility of the patient and not included within FindBestDoc™.

### INTERCONSULTATION®

Get an expert second opinion from a renowned medical specialist

InterConsultation® is an in-depth analysis of your case by an expert from a database of more than 50,000 doctors in over 40 specialties and 450 subspecialties. We can collect all your records, X-rays, scans, test results – even pathology samples.

After an in-depth study of your case, our expert provides a comprehensive, personalised report, including a recommendation.

### FINDBESTCARE®

Find the best treatment outside the UK

If after receiving your expert second medical opinion report via the InterConsultation® service you then decide that your medical condition needs treatment outside of the UK, you have access to FindBestCare® service.

Best Doctors will search for the most appropriate care facility to receive the treatment you were recommended.

Travel, accommodation, medical expenses and other associated costs are the responsibility of the patient and not included within the FindBestCare® service.
